

Please Remember

1. All garbage & recycling carts must be placed at the curb before 6:00AM on your service day. Contenedores deben estar listos para levantar a las 6am en su día de servicio.
2. Roll your carts against the curb with handles facing your home. La tapadera del contenedor debe abrir hacia el frente y las manecillas del bote contra la banqueta.
3. Allow 3ft of clearance between carts and 6ft from other objects such as vehicles. Permita 3ft de espacio entre contenedores y 6ft pies de espacio de otros objetos como vehículos.

Please report any missed collections to our office by the following business day.

Favor de reportar contenedores no dompeados a nuestras oficinas en cuanto antes.

Thank You for following these service tips...
It helps us provide excellent service to you.

Why Recycle ?

Recycling is the easiest way to "Go Green" and reduces the amount of trash entering the waste stream. By recycling as much trash as you can, you are saving finite natural resources, preventing air and water pollution and making a positive contribution to preserving our environment for

El Reciclaje reduce la cantidad de basura depositada en los dompes. Contribuya a preservar nuestro medio ambiente para generaciones

Where Does It All Go?

The bottles, cans and paper collected for recycling are taken to Mid Valley Disposal's Material Recovery Facility (MRF). Materials are then sorted by type, manufacturers buy the sorted recyclables and use them as raw materials to make new products.

Los Materiales colectados son surtidos en la Planta Principal por tipo de material: plastico, aluminio, carton, vidrio, y papel. Estos materiales son convertidos en nuevos productos en el Mercado.
