California's Mandatory Commercial Recycling Law AB341

It is important for businesses, schools districts, and
multi-family apartments to understand the new
California law AB341. AB341 requires commercial
and public entities that generate 4 cubic yards or
more of solid waste per week and multi-family
apartments with 5 or more units to subscribe to
recycling services by July 1, 2012. If you would like
more information regarding AB341, you can go to
www.calrecycle.ca.gov/climate/recycling/ or
