Independent Auditor's Report

The Honorable Mayor and City Council of the
City of Huron, California:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Huron, California, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Huron, California, as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on pages 38 through 42 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in

AGRI-BUSINESS CENTER

an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Huron, California's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2015, on our consideration of the City of Huron, California's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of Huron, California's internal control over financial reporting and compliance.

Emphasis-Of-Matter

As discussed in Note 12 to the financial statements, the City reported substantially all of its available special revenue fund cash as being loaned to the General Fund. Our opinion is not modified with respect to this matter.

RECONCILIATION OF THE FUND BALANCES OF GOVERNMENTAL FUNDS TO THE NET POSITION OF GOVERNMENTAL ACTIVITIES IN THE STATEMENT OF NET POSITION June 30, 2015

Fund balances of governmental funds	\$	1,988,584
-------------------------------------	----	-----------

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not current financial resources, and therefore, are not reported in the Governmental Funds Balance Sheet. However, the Statement of Net Position includes those capital assets among the assets of the City as a whole.

Beginning Balance, net of depreciation	\$ 3,341,953	
Current Year Additions	2,213,037	
Transfers to RDA Successor Agency	-	
Current Year Depreciation	<u>(124,420)</u>	
Ending Balance, net of depreciation		5,430,570

Long-term assets that are not available to pay for current-period expenditures are considered deferred revenue for the Government Funds Balance Sheet. However, these assets are included in the Statement of Net Position.	6,781,642
---	-----------

Long-term liabilities are not due and payable in the current period, and therefore, are not reported as liabilities in the Governmental Funds Balance Sheet. All liabilities, both current and long-term, are reported in the Statement of Net Position.

Long-Term Debt	(52,987)	
Compensated Absences	<u>(55,291)</u>	
Total Long-Term Liabilities		<u>(108,278)</u>

Net position of governmental activities	\$	<u>14,092,518</u>
---	----	-------------------

City of Huron
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
Year ended June 30, 2015

Net change in fund balance - total governmental funds	\$ (352,926)
Amounts reported for governmental activities in the statement of activities are different because:	
Government funds report capital outlay as expenditures. However, in the Statement of Activities, the costs of those assets is allocated over their estimated useful lives, and reported as depreciation expense. This is the amount by which capital expenditures (\$2,213,037) exceeded depreciation (\$124,420) in the current period.	2,088,617
The issuance of long-term debt provides current financial resources to governmental funds, but the issuance has no effect on net assets.	-
Repayment of long-term debt principal is an expenditure in the government funds, but the repayment reduces long-term liabilities in the Statement of Net Position.	60,000
Long-term compensated absence expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in government funds.	10,529
Earned long-term assets not available to pay for current-period expenditures are not recognized as revenue in the government funds. Revenue in the Statement of Activities is not limited by availability. This adjustment is the amount by which unavailable deferred revenue at the beginning of the year (\$7,104,422) is exceeded by unavailable deferred revenue at the end of the year (\$6,781,642).	<u>(322,780)</u>
Change in net position of governmental activities	<u><u>\$ 1,483,440</u></u>

The accompanying notes are an integral part of these financial statements.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies

The accompanying financial statements of the City of Huron (the "City") have been prepared in conformity with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). The following summary of the City's more significant accounting policies is presented to assist the reader in interpreting the basic financial statements and other data in this report. These policies should be viewed as an integral part of the accompanying basic financial statements.

A - Reporting Entity

The City of Huron, California was incorporated in 1951. The City is a full-service city and operates under a Council - Manager form of government, providing the following services: general government; public safety; public works; and development and conservation. The City is located in Fresno County approximately 50 miles southwest of Fresno, the county government seat.

The City has defined its reporting entity in accordance with accounting principles generally accepted in the United States of America which provide guidance for determining which governmental activities, organizations, and functions should be included in the reporting entity. The Basic Financial Statements present information on the activities of the reporting entity, including all the fund types of the City (the primary government) and its component units.

Accounting principles generally accepted in the United States of America require that the component units be separated into blended or discretely presented units for reporting purposes. Although legally separate entities, blended component units are, in substance, part of the City's operations. Therefore, they are reported as part of the primary government. Discretely presented component units are reported in a separate column in the basic financial statements to emphasize that they are legally separate from the City. The City has no discretely presented component units.

Blended Component Units

On May 1, 1996, the City and the former Huron Redevelopment Agency entered into a Joint Exercise of Powers Agreement establishing the Huron Public Financing Authority (the "Authority") for the purpose of issuing its bonds to be used to provide financial assistance to the City, the Agency or any other public entity of the State of California. The funds of this component unit report no activity for the year. Separate financial statements are not available for the Authority. The City Council of Huron is the governing body for the Authority.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

B - Basis of Presentation

Government-Wide Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

For the most part, the effect of interfund activity has been removed from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes where the amounts are reasonably equivalent in value to the interfund services provided and other charges between the City's sewer, water and refuse function and various other functions of the government. Eliminations of these charges would distort the direct costs and program revenues reported for the various functions concerned.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Indirect expenses have been allocated to major functions in order to present a more accurate and complete picture of the cost of services. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

Fund Financial Statements

The accounting system of the City is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operation fund of the City or meets the following criteria:

- a. Total assets, liabilities, revenues, or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

- b. Total assets, liabilities, revenues, or expenditures/expenses of the individual governmental fund or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.
- c. The government has determined that a fund is important to the financial statement user.

The major funds are as follows:

Governmental Funds

The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund accounts for the traditional government services of the City such as police, planning, and general administrative services.

The HOME Grant Fund accounts for HOME Grant funds received through the California Department of Housing and Community Development. These grant funds are used for first time home buyer assistance. Qualified applicants can get gap financing under this program for the purchase of their first home. All program income must be accounted for and kept in a reuse fund where it can then be accumulated and lent back out on HOME eligible activities.

The CDBG Grant Fund accounts for funds received through the Community Development Block Grant (CDBG) program. The grant funds are disbursed to homeowners who meet low and moderate income guidelines and qualify for the CDBG program as deferred loans, grants or below market interest rate loans. All program income must be accounted for and kept in a reuse fund where it can then be accumulated and lent back out.

The Measure C Fund accounts for funds received from the County of Fresno for transportation related programs.

The Street Projects Fund accounts for special state grants that are legally restricted to construction and maintenance of local roads within the City limits.

Proprietary Funds

The Water Utility Fund is used to account for the provisions of water service to residents of the City. All activities necessary to provide such service are accounted for in this fund.

The Water Reclamation and Sewer Fund is used to account for the provisions of sewer service to the residents of the City. All activities necessary to provide such service are accounted for in this fund.

The Refuse Collection Fund is used to account for the collection and disposal of refuse within the City. All activities necessary to provide such service are accounted for in this fund.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

Fiduciary Fund

The Pension Plan Trust Fund account for assets held by the City trustee for the City's pension plan.

The RDA Successor Agency Private Purpose Trust Fund accounts for monies received from the Fresno County Auditor Controller for the repayment of the enforceable obligations of the former Huron Redevelopment Agency. These funds are restricted for the sole purpose of payment of items on an approved Recognized Payment Obligation Schedule (ROPS).

C - Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe “which” transactions are recorded within the various financial statements. Basis of accounting refers to “when” transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the government-wide Statement of Net Position and the Statement of Activities, both governmental and business-like activities are presented using the economic resources measurement focus. The accounting objectives of the economic measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported.

In the fund financial statements, the “current financial resources” measurement focus or the “economic resources” measurement focus is used as appropriate:

- a. All governmental funds utilize a “current financial resources” measurement focus. Only current financial assets and liabilities are generally included on their balance sheets (deferred outflows of resources and deferred inflows of resources are noncurrent). Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.
- b. The proprietary fund utilizes an “economic resources” measurement focus. Proprietary fund equity is classified as net position.
- c. Agency funds are not involved in the measurement of results of operations; therefore, measurement focus is not applicable to them.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

Basis of Accounting

In the government-wide Statement of Net Position and Statement of Activities, both governmental and business-like activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when “measurable and available”. Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or soon enough thereafter to pay current liabilities. Revenues which are susceptible to accrual include property taxes and special assessments that are levied for and due for the fiscal year and collected within 60 days after year-end. Licenses, permits, fines, forfeits, charges for services and miscellaneous revenues are recorded as governmental fund type revenues when received in cash because they are not generally measurable until actually received. Revenue from taxpayer assessed taxes, such as sales taxes, are recognized in the accounting period in which they became both measurable and available to finance expenditures of the fiscal period. Grant funds and reimbursements of expenses under contractual agreements are reported in governmental fund types and are recorded as a receivable when earned rather than when susceptible to accrual. Generally, this occurs when authorized expenditures are made under the grant program or contractual agreement. Expenditures are recognized when the fund liability is incurred, if measurable, except for unmatured interest on long-term debt, which is recognized when due.

The accrual basis of accounting is followed by the proprietary fund and fiduciary funds. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing goods and services in connection with a proprietary fund’s principal ongoing operations. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Private-sector standards of accounting and financial reporting issued prior to December 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The government has elected not to follow subsequent private-sector guidance.

D - Assets, Liabilities, Net Position or Equity, and Other Financial Statement Items

Cash and Investments

Cash and investment balances of each of the City’s funds, except for funds required to be held by outside fiscal agents under the provisions of bond indentures, are pooled in order to take advantage of an effective investment strategy. Income earned from pooled investments is allocated to each of the funds based on average pooled cash balances during the year. Deficit cash balances are classified as due to other funds and funded by the General Fund or related operating fund.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

California Government Code authorizes the Agency to invest in the following types of investments:

Investment Type	Maximum Maturity	Maximum Specified % Of Portfolio	Minimum Quality Requirements
Local Agency Bonds	5 Years	None	None
U.S. Treasury Obligations	5 Years	None	None
State Obligations	5 Years	None	None
CA Local Agency Obligations	5 Years	None	None
U.S. Agency Obligations	5 Years	None	None
Bankers' Acceptance	180 Days	40%	None
Commercial Paper - Select Agencies	270 Days	25%	A-1
Commercial Paper - Other Agencies	270 Days	40%	A-1
Negotiable Certificates of Deposit	5 Years	30%	None
CD Placement Service	5 Years	30%	None
Repurchase Agreements	1 Year	None	None
Reverse Repurchase Agreements	92 Days	20%	None
Medium-Term Notes	5 Years	30%	A
Mutual and Money Market Fund	N/A	20%	Multiple
Collateralized Bank Deposits	5 Years	None	None
Mortgage Pass-Through Securities	5 Years	20%	AA
Bank/Time Deposits	5 Years	None	None
County Pooled Investment Funds	N/A	None	None
Joint Powers Authority Pool	N/A	None	Multiple
Local Agency Investment Fund (LAIF)	N/A	None	None

Investment of debt proceeds held by bond trustees are governed by the provisions of the Agency's debt agreement rather than the general provisions of the California Government Code.

For purposes of the Combined Statement of Cash Flows for the Proprietary fund types, cash and cash equivalents includes all pooled cash investments, non-pooled restricted cash and restricted investments with an original maturity of three months or less. The City considers the investments held in LAIF to be a demand deposit account where funds may be withdrawn and deposited at any time without prior notice or penalty.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as interfund receivables/interfund payables (i.e., the current portion of interfund loans) or advances to/from other funds (the noncurrent portion) of interfund loans. All other outstanding balances between funds are reported as interfund receivables/interfund payables. Any residual balances outstanding between the governmental activities and the business-type activities are reported in the government-wide financial statements as internal balances.

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

All trade and tax receivables are shown net of an allowance for uncollectible accounts and estimated refunds due.

Property Taxes

Secured property taxes are levied during September of each year for the fiscal year beginning with the preceding July 1 and ending the following June 30. They become a lien on real property on January 1 preceding the fiscal year for which taxes are levied. The Kern County Assessor establishes the value of the property on January 1. Taxes are payable in two installments on November 1 and February 1, and are delinquent if not paid by December 10 and April 10, respectively. In 1978, a state constitutional amendment (Proposition 13) provided that the tax rate be limited to 1% of market value, levied only by the County and shared with all other jurisdictions. Such limitation on the rate may only be increased through voter approval. The County collects property taxes and distributes them to taxing jurisdictions on the basis of the taxing jurisdiction’s assessed valuations and on the tax rate for voter-approved debt.

Capital Assets and Depreciation

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, traffic signals, drainage systems and similar items), are reported in the applicable governmental or business-type activities column in the government-wide financial statements. Capital assets are defined by the City as assets with an initial cost of more than \$5,000 and an estimated life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Property, plant and equipment of the primary government as well as the component units, are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Buildings	40
Improvements other than buildings	20
Machinery and Equipment	5 - 8
Infrastructure	20 - 75

Compensated Absences

It is the City’s policy to permit employees to accumulate earned but unused vacation and comp time, and sick pay benefits. Sick leave must be used in the year it is earned and is not allowed to be carried over to subsequent years. Vacation and comp time pay liabilities are calculated at full value based on the employee’s current rate of pay. All compensated absence pay is accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

Long-Term Obligations

In the government-wide financial statements and in the proprietary fund financial statements, bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed when bonds are issued.

In governmental fund financial statements, bond premiums and discounts, as well as debt issuance costs are recognized in the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuance are also reported as other financing sources. Issuance costs, whether or not withheld from the actual debt proceeds, are reported as debt service expenditures.

Net Position

The government-wide and business-type activities fund financial statements utilize a net position presentation. Net position is categorized as follows:

Net Invested In Capital Assets – This category groups all capital assets, including infrastructure, into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce the balance in this category.

Restricted Net Position – This category presents external restrictions imposed by creditors, grantors, contributors or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation. The government-wide statement of net position reports \$8,609,025 of restricted net position, all of which is restricted externally by grantors, creditors, or laws or regulations of other governments.

Unrestricted Net Position – This category represents net position of the City, not restricted for any project or other purpose.

When both restricted and unrestricted net position are available, it is the City's policy to use restricted net position first, and then unrestricted net position as they are needed.

Fund Balance – Government Funds

Fund balances of the governmental funds are presented in the financial statements based on classifications that comprise a hierarchy that is based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the respective governmental funds can be spent. Fund balances are classified as follows:

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

Nonspendable – Amounts that cannot be spent either because they are not in a spendable form or because they are legally or contractually required to be maintained intact.

Restricted – Amounts restricted by external sources (creditors, laws of other governments, etc.) or by constitutional provision or enabling legislation.

Committed – Amounts that can be used only for specific purposes determined by a formal action by Board of Director resolution. This includes the budget reserve account.

Assigned – Amounts the City intends to use for a specific purpose, but do not meet the definition of restricted or committed fund balance. Amounts may be assigned by the City Manager.

Unassigned – All other spendable amounts.

When expenditures are incurred for purposes for which all restricted, committed, assigned, and unassigned fund balances are available, the City's policy is to apply in the following order, except for instances wherein an ordinance specifies the fund balance: Restricted, Committed, Assigned, and Unassigned.

The City does not have a formal minimum fund balance requirements.

Appropriated Budget and Budgetary Control

The City Council is required to adopt an annual budget resolution by July 1 of each fiscal year for the General, Special Revenue, Debt Service and Capital Projects funds. The budgets are presented for reporting purposes on a budgetary basis consistent with accounting principles generally accepted in the United States of America. The City of Huron Public Financing Authority does not adopt a budget for its general fund.

The appropriated budget is prepared by fund, function, and department. The City Manager may make transfers of appropriations within a department. Transfers of appropriations between departments requires the approval of the council. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the department level. Unexpended or unencumbered appropriations lapse at the end of the fiscal year. Encumbered appropriations are reappropriated in the ensuing year's budget.

The City Council adopts budgets for the Enterprise and Internal Service funds. However, all Proprietary fund types are accounted for on a cost of service (net income), or "capital maintenance" measurement focus. As a result, budget comparisons are impractical. Additionally, the City is not legally mandated to report the results of operations for these Proprietary fund types on a budget comparison basis; therefore, budgetary data related to these funds has not been presented.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 1 – Summary of Significant Accounting Policies, (continued)

Deferred Compensation Plan

The City offers some employees a deferred compensation plan. The assets, all property and rights purchased with such amounts and all income attributable to such amounts, are held in trust for the exclusive benefit of the participants and the beneficiaries. The plan is administered by independent plan administrators through administrative service agreements. The City does not have fiduciary responsibility for the plan assets.

Note 2 – Cash and Investments

The City pools all of its cash and investments except those funds required to be held by outside fiscal agents under the provisions of bond indentures.

The following is a summary of the City's cash and investments as classified in the accompanying financial statements:

Pooled Cash and Investments - Governmental Funds	\$	1,917,079
Pooled Cash and Investments - Proprietary Funds		6,399
Cash and Investments - Fiduciary Funds		63,153
Cash and Investments with Fiscal Agents - Fiduciary Funds		348,996
Total	\$	2,335,627

Cash and investments at June 30, 2015 consist of the following:

Cash on Hand	\$	750
Demand Deposits		1,918,214
Investments		416,663
Total	\$	2,335,627

Deposits:

Custodial credit risk – In the case of deposits, this is the risk that in the event of a bank failure, the City's deposits may not be returned to it. The City has no deposit policy for custodial credit risk.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 2 – Cash and Investments, (continued)

The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure public agency deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits. As of June 30, 2015, all of the City's deposits with financial institutions in excess of federal depository insurance limits were held in fully collateralized accounts, as permitted by the California Government Code.

Under Government Code Section 53655, the placement of securities by a bank or savings and loan association with an Agent of Depository has the effect of perfecting the security interest in the name of the local governmental agency. Accordingly, all collateral held by California Agents of Depository is considered to be held for, and in the name of, the local governmental agency.

Investments:

The City had the following investments at June 30, 2015:

Investment Type	Fair Value	Maturity Date
State Treasurer's Investment Pool (LAIF)	\$ 2,739	N/A
Held by Trustees:		
Cash and Short Term Investments	348,996	N/A
Mutual Funds	64,928	N/A
Total Investments	<u>\$ 416,663</u>	

LAIF is a special fund of the California State Treasury through which local governments may pool investments. Investments in LAIF are highly liquid, as deposits can be converted to cash within 24 hours without loss of interest. Included in LAIF's investment portfolio are certain derivative securities or similar products, such as structured notes and asset backed securities. LAIF's and the City's exposure to credit, market, or legal risk is not available. The fair value of the City's position in the pool is the same as the value of the pool shares. LAIF is regulated by the California Government Code.

Interest rate risk – The City's exposure to interest rate risk is identified by the above weighted average maturities. The City has no investment policy for interest rate risk.

Credit rating risk – The City is required to disclose the credit quality ratings of investments in debt securities as issued by nationally recognized statistical rating organizations (NRSROs). At June 30, 2015, the Credit ratings for the money market funds, mutual funds and investments in LAIF were unavailable. The City has no investment policy for credit risk.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
 June 30, 2015

Note 2 – Cash and Investments, (continued)

Concentration of credit risk – The City is required to disclose any investment in any one issuer that represents 5% or more of total investments. Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this requirement. As such, the City has no concentration of credit risk that exceeds 5%. The City has no investment policy for concentration of credit risk.

Custodial credit risk – For an investment, this is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. With respect to investments, custodial credit risk generally applies only to direct investments in marketable securities. Custodial credit risk does not apply to a local government’s indirect investment in securities through the use of mutual funds or government investment pools (such as LAIF). The City has no investment policy for custodial credit risk.

Restricted Investments with Fiscal Agents

Fiduciary Fund Activities:

Pension Plan Trust Fund – All pension plan investments are required to be held in a reserve account.	<u>\$ 63,153</u>
---	------------------

RDA Successor Private Purpose Trust Fund:

<p>Tax Allocation Bonds – The trustee is required to hold, in a reserve account, funds necessary to secure bonds until 2036.</p>	\$ 156,125
---	------------

<p>Revenue Bonds – The trustee is required to hold, in a reserve account, funds necessary to secure bonds until 2036 and to hold unexpended funds for future expenditures within the RDA project area.</p>	<u>192,871</u>
---	----------------

Total	<u>\$ 348,996</u>

Note 8 – Unearned Revenue / Deferred Inflows of Resources

Unearned Revenue consists of moneys received where the City has not yet incurred the qualifying expenditures as follows:

	<u>Governmental Activities</u>	<u>Fiduciary Activities</u>
LTF Receivable	\$ 260,394	\$ -
RDA Successor - ROPS	-	268,929
	<u>\$ 260,394</u>	<u>\$ 268,929</u>

Deferred inflows of resources represents an acquisition of net position or fund balance that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time. The City has one transaction type that qualifies for reporting under this category; unavailable revenue is only reported in the governmental funds balance sheet under the modified accrual basis of accounting. The detail of unavailable revenue is as follows:

Governmental Activities

	<u>Unavailable</u>
HOME Grants	\$ 4,844,647
CDBG Grants	1,195,474
CalHome Grants	741,521
Total	<u>\$ 6,781,642</u>

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 9 – Public Entity Risk Pools

The City maintains self-insurance programs for workers' compensation, general public liability, auto liability and property coverage through its membership in the Central San Joaquin Valley Risk Management Authority (CSJVRMA). The CSJVRMA is comprised of 55 member cities and special districts and is organized under a Joint Powers Agreement pursuant to the California Government Code. The purpose of the CSJVRMA is to arrange and administer programs of insurance for the pooling of self-insured losses and to purchase excess insurance coverage. Each member has a representative on the Board of Directors with officers of the CSJVRMA being elected annually by the Board Members.

Liability Program: The program provides \$28 million of coverage per occurrence for general & automobile liability and public officials errors & omission coverage. CSJVRMA members self-fund the first \$1 million of exposure; losses above \$1 million to \$28 million are covered through CSJVRMA's participation in the California Affiliated Risk Management Authority's (CARMA) excess pool. The California Affiliated Risk Management Authority (CARMA) is comprised of six member Joint Power Authorities and is organized under a Joint Powers Agreement pursuant to the California Government Code. Losses exceeding \$1 million up to \$28 million are covered through reinsurance. Within CSJVRMA's \$1 million retention, the City of Huron selected a self-insured retention of \$10,000. The pool shares all losses exceeding a member's self-insured retention.

Employment Practices Liability (EPL): This program from CSJVRMA covers the EPL exposures through the Employment Risk Management Authority (ERMA). ERMA is comprised of eight members Joint Power Authorities and is organized under a Joint Powers Agreement pursuant to the California Government Code. ERMA covers \$1 million for each occurrence less the members' retained limit. The City of Huron's retained limit is \$25,000.

Workers' Compensation: The program is a risk sharing pool. The City self insures for the first \$500,000 of liability. Losses in excess of \$500,000, up to \$5 million are covered through CSJVRMA's participation in the Local Agency Workers' Compensation Excess JPA (LAWCX) which is comprised of 32 different Joint Power Authorities. For excess coverage, LAWCX is a member of the California State Association of Counties Excess Insurance Authority which provides coverage up to the statutory limit.

Property Insurance: The City, through its membership in CSJVRMA participates in the Public Entity Property Insurance Program (PEPIP) along with other California public entities. PEPIP is a national property insurance program with several hundred members including the City of Huron. The PEPIP policy is an all-risk, replacement cost policy that covers: tax interruption; municipal bond revenue interruption; service interruption from public and private utilities for gas, electric, water and telecommunication; and vehicle comprehensive and collision. The CSJVRMA's deductible through PEPIP's is \$25,000. The City of Huron's deductible is \$1,000 per occurrence. The program has a \$1,000,000,000 loss limit per occurrence, with various sub limits.

Change in Net Position	<u>\$ (631,558)</u>

Note 10 – Pension Plan

The City contributes to and acts as plan administrator to the City of Huron Profit Sharing Plan (the Plan), a defined contribution pension plan. All permanent full-time employees with one year of service may participate. The plan provides that the City's rate of contribution is at the discretion of the City, with a maximum of 15%. The plan is independently administered by Hicks Pension Services and all investments are directed by the administrator. During the current fiscal year the City contributed \$0 to the plan. All plan assets are stated at market value as determined by the administrator. Employees are immediately vested in their own contributions and earnings on those contributions. Employees become vested in City contributions and earnings on City contributions as follows:

- 0% in the first year, then
- 20% per year thereafter

Nonvested contributions are forfeited upon termination of employment. For the year ended June 30, 2015, there were no forfeitures. The City had no liability to the Plan at June 30, 2015.

Note 11 – Other Disclosures

Pledged Revenues

The City of Huron has pledged certain water, sewer and tax revenues for the repayment of long-term debt obligations.

Economic Dependency

The City is dependent upon taxes and user fees received from the residents of the Huron area.

Date of Management Evaluation

Management has evaluated subsequent events through December 18, 2015, the date on which the financial statements were available to be issued.

Excess of Expenditures over Appropriations

For the year ended June 30, 2015, some expenditures exceeded appropriations. The over expenditures were funded from current tax revenue and charges for services. All City expenditures were approved by the City Council.

City of Huron
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2015

Note 11 – Other Disclosures, (continued)

Fund Deficits

The City had accumulated fund deficits in the following individual funds:

Governmental Funds:	
HOME Grant Fund	\$ (52,460)
CDBG Grant Fund	(44,705)
Street Projects	(8,525)
Non-Major Funds	<u>(17,804)</u>
Total Governmental Funds	<u>\$ (123,494)</u>
Proprietary Funds:	
Refuse Collection and Disposal	<u>\$ (372,441)</u>

The HOME, CDBG and Street Projects deficits are a result of expenditures prior to grant reimbursement.

For the Refuse Collection and Disposal deficit, the City is attempting to increasing rates and improving operational efficiency.

Contingencies

Federal and State Government Programs – The City participates in several federal and state grant programs. These programs are subject to audit and review by the grantor pursuant to grant provisions. Expenditures may be disallowed by the granting agencies that cannot be determined at this time. The City expects such amounts, if any, to be immaterial.

Prior Period Adjustment

Pursuant to GASB Statement No. 65, Items Previously Reported as Assets and Liabilities, bond issue costs are to be expensed in the year they are incurred. A prior period adjustment of \$400,487 was made to the RDA Successor Agency Private Purpose Trust Fund beginning net position to remove such deferred charges from a prior bond financing.

Note 12 – Special Revenue Funds – Cash Impairment

Applicable provisions of various special revenue fund grants legally restrict the use of such grant funds, including prohibiting the funds from being loaned to other Funds in the City treasury. As of June 30, 2015, the City reported substantially all of its available special revenue fund cash as being loaned to the General Fund. This borrowing occurred in the year ended June 30, 2011. As of June 30, 2015, the General Fund had \$39,357 available cash but balances due to other funds in the amount of \$458,131. Accordingly, the restricted cash funds reported for financial reporting purposes do not exist because they have been utilized for General Fund or other non-eligible obligations. The result is that grant funds are not available for their intended purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Mayor and City Council of the
City of Huron, California:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Huron, California, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise City of Huron's basic financial statements, and have issued our report thereon dated December 18, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered City of Huron's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of Huron's internal control. Accordingly, we do not express an opinion on the effectiveness of City of Huron's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Phone 661/758-1191 • 661/399-2236 • Fax 661/758-6195
cpafirm@albert-cpa.com

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Huron's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and responses as item 2015-1.

City of Huron's Response to Findings

City of Huron's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. City of Huron's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Albert & Associates, LLP

Wasco, California

City of Huron
SCHEDULE OF FINDINGS AND RESPONSES
 June 30, 2015

2015-1 Special Revenue Funds – Cash Impairment

Criteria: Applicable provisions of various special revenue fund grants legally restrict the use of such grant funds, including prohibiting the funds from being loaned to other Funds in the City treasury.

Condition: As of June 30, 2015, we noted that the City of Huron had reported substantially all of its available special revenue fund cash as being loaned to the General Fund. In addition, as of June 30, 2015, the General Fund had \$39,357 available cash and balances due to other funds in the amount of \$458,131. When a City has effectively utilized its restricted funds to the extent that in reality, the restricted cash funds reported for financial reporting purposes do not exist because they have been utilized for General Fund or other non-eligible obligations, the funds are not available for their intended purpose.

Cause: Prior to June 30, 2010, the City did not have appropriate internal control policies and procedures in place to ensure that restricted funds were only utilized for their legally restricted purposes.

Effect: As of June 30, 2010, the City had expended special revenue funds for other than their intended purpose.

Recommendation: We recommend that the City General Fund repay amounts owed to applicable special revenue funds.

Management Response: The City of Huron acknowledges the cash impairment of various special revenue funds. The City is addressing various impairments by attempting to budget surpluses in the General Fund to enable repayments to the special revenue funds. The City is also conferring with various grantors to establish procedures to resolve particular impairments. Since June 30, 2010, the General Fund has reduced cash owed to other funds as follows:

	<u>Balance Due To Other Funds</u>
6/30/2011	\$ 3,002,140
6/30/2012	1,494,508
6/30/2013	1,555,398
6/30/2014	1,231,048
6/30/2015	458,131

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To The Honorable Mayor and City Council of the
City of Huron, California:

Report on Compliance for Each Major Federal Program

We have audited City of Huron, California's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of City of Huron, California's major federal programs for the year ended June 30, 2015. City of Huron, California's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of City of Huron, California's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City of Huron, California's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of City of Huron, California's compliance.

Opinion on Each Major Federal Program

In our opinion, City of Huron, California, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of City of Huron, California, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered City of Huron, California's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of City of Huron, California's internal control over compliance.

City of Huron
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Year ended June 30, 2015

Note A – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the City of Huron, California, under programs of the federal government for the year ended June 30, 2015. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of State, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of the City of Huron, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the City of Huron.

Note B – Summary of Significant Accounting Policies

- 1) Expenditures reported on the Schedule are reported generally using the modified-accrual basis of accounting for program expenditures accounted for in the governmental funds and the accrual basis of accounting for program expenditures accounted for in the proprietary funds, as described in Note 1 of the notes to the City of Huron’s basic financial statements. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

- 2) Pass-through entity identifying numbers are presented where available.

Note C – Loans Outstanding

The accompanying schedule of Federal Awards does not include loans receivable at year end relating to the following Loan Programs:

	CFDA#	Note Rec. Balance
Home Reuse Loans Rec. - HURHMPI	14.228	\$ 406,147
Home Reuse Loans Rec. - 95-BEGIN	14.239	74,741

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
 Year ended June 30, 2015

A. Summary of Auditor’s Results:

1. The auditor’s report expresses an unmodified opinion on the financial statements of the City of Huron.
2. No material deficiencies disclosed during the audit of the financial statements are reported in the Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards. No significant weaknesses are reported.
3. No instances of noncompliance material to the financial statements of the City of Huron, which would be required to be reported in accordance with Government Auditing Standards were disclosed during the audit.
4. No significant deficiencies in internal control over major federal award programs disclosed during the audit and none are reported in the Independent Auditor’s Report on Compliance for Each Major Program and on Internal Control over Compliance Required by OMB Circular A-133. No material weaknesses are reported.
5. The auditor’s report on compliance for the major federal award programs for the City of Huron expresses an unmodified opinion on all major federal programs.
6. No audit findings were required to be reported in accordance with Section 510(a) of OMB Circular A-133 are reported in this Schedule.
7. The programs tested as major programs were:

CFDA Numbers	Program Title
20.205	Ninth St. Road Reconstruction
14.228	Water Line Looping Improvement

8. The threshold used for distinguishing between Type A and B programs was \$300,000.
9. The City of Huron was not determined to be a low-risk auditee.

B. Findings – Financial Statements Audit

No Findings.

C. Findings and Questioned Costs – Major Federal Award Programs Audit

No matters were reported.
