## **REQUEST FOR QUALIFICATIONS/PROPOSALS FOR ENGINEERING SERVICES**

)  
**March 15, 2017**

## **I. STATEMENT OF PURPOSE**

The City of Huron is requesting proposals for the purpose of selecting a firm to provide civil engineering services to the City. The requested services will require one person from the firm to serve in the capacity of City Engineer. The selected firm will be required to enter into a Professional Services Agreement. The initial term of the agreement is three (3) years with an option to extend.

## **II. GENERAL INFORMATION**

The City of Huron is a community of approximately 6,914 residents, and it is located in Fresno County approximately 55 miles from the City of Fresno. The City of Huron is a general law city governed by a Mayor and four Council members. The majority of City engineering services result from state and federal funds. The City has 26 employees and an annual budget of \$6 million. The City Engineer will be an important member of the City team and will report directly to the City Manager. City staff will be available on a pre-approved and limited basis to assist the City Engineer.
