Final Inspection or Certificate of Occupancy will not be issued until the application is complete with estimated diversion rate and approved by the City's Planning Department.

CA Green Building Code (CALGreen) requires **65%** diversion of waste from construction and demolition projects. CALGreen applies to the following:

- All new construction of a building regardless of project value
- Additions to non-residential buildings or structures of at least 1,000 square feet or alterations with an estimated construction cost of at least \$200,000

I have read the C&D Resolution & CALGreen. I acknowledge that I am responsible to comply with City of Huron C&D Recycling Program & CALGreen standards.
