The City of Huron Construction and Demolition Recycling Application Process

1. Applicant receives from Huron Planning Department a C&D brochure, [C&D RPA] Construction & Demolition Recycling Program Application, and [CWMW] Construction Waste Management Worksheet when requesting a construction or demolition permit.
2. The [C&D RPA] and [CWMW] must be filled out by the applicant then turned into Huron Planning Department.
3. The [C&D RPA] AND [CWMW] shall be faxed 559-842-9437 or e-mailed genoa@midvalleydisposal.com to [MVD] Mid Valley Disposal for tracking of C&D material coming into [MVD] facility from the project.
4. Applicant shall turn in all weight tickets showing where material was disposed and recycled. The city will review documents and determine if applicant met city's recycling diversion requirements or made a good faith effort.
5. Copies of weight tickets provided from a different hauler other than [MVD] should be turned into [MVD] Recycling Department to track C&D recycling tonnage for City's Annual Report. Mid Valley Disposal will track all C&D tonnage collected.
6. Mid Valley Disposal will keep record of [C&D RPA] and [CWMW] faxed or e-mailed from the city along with C&D diversion reports attached to the application for the duration of two years.
