Green Riderz

University & College RIDE-SHARE

FOR MORE INFORMATION: (559) 945-RIDE

WWW.THELEAPINSTITUTE.ORG | PH: 559-945-7433

WHAT: GREEN Riderz (GRz) is a new system added to the GREEN RAITEROS PROGRAM! GRz is to provide Huron college students access to their university and college classes (beginning with West Hills Community College) as well as other educational advancement course needs!

HOW: Reserve your ride to school between Monday thru Friday from 8:00 AM to 5:00 PM. If you have questions, please contact us. Green Riderz will initiate the EV Ride-Share for Huron students to West Hills College Campuses.

WHY: All Communities deserve equitable access to quality education. One of the disadvantages many times is transportation, especially in communities like Huron that are geographically isolated and do not have their own community college campus as do Lemoore and Coalinga. GRz will bridge transportation gap as we continue to work with partners on empowering access to quality education for all.

NEXT: What are your education/transportation needs? Call us at (559) 945-RIDE. THANK YOU!
