

## **Notice of Upcoming City-Wide Sewer Inspection**

Beginning Tuesday, November 8<sup>th</sup>, National Plant Services will be conducting a City-wide sewer inspection that entails the flushing and inspecting of manholes.

- This project is expected to take place over the next 6 weeks.
- To accomplish this project, it may be necessary to temporarily divert traffic on your street on the day the work is in progress.
- A truck will temporarily stage at sewer manholes to clean and/or inspect the sewer lines
- Your utilities will not be impacted whatsoever.
- This work will be performed in the daytime, by uniformed crew, with trucks with clear company markings on them.
- We regret any inconvenience this work may cause, and we thank you in advance for your cooperation and understanding in assisting us in improving your neighborhood in the most efficient way possible.
- Should you have any questions regarding the project, please call: AM Consulting Engineers 559-473-1371
